REGAL QUALITY REGISTRARS INC.

CERTIFICATE

 Certificate of Compliance

We confirm that the technical documentation for the below mentioned products according to the Council Directive 97/23/EC: Pressure equipment (PED)
 Products:
Industrial Rubber Hoses, Hydraulic Hoses, Marine Industrial Hoses, Gas & Pharmaceutical Hoses, High Temperature Hoses, Bellows, Industrial Fittings, Industrial Valves, Hydraulic Fitting, Fitting Equipments, Quick Release Couplings, Industrial Hose Ends, Industrial Accessories, PTFE Expansion Bellows, Industrial Coupling & Fire Fighting Hose
 Manufactured by company:
Real Hydrofit & Co.
514/515A, Sussex Industrial Estate, D.K. Cross Road, Byculla (E), Mumbai-400027 Maharashtra India
OLO Atlas Mill Compound, 210, Reay Road (W), Mumbai-400010 Maharashtra India
 is complying to the applicable essential requirements of Directive 97/23/EC Pressure equipment (PED)
 The Regal Quality Registrars Inc. has conducted with successful results the review of the manufacturer's technical documentation of the certified according to above mentioned Directive.
 This certificate is issued under the following conditions:

- It applies only to the above referenced set of products mentioned above. The manufacturer is obligated to assure that all products of the respective model conform to the type assessed by this certificate.
- The Certificate validity is conditioned by the positive results of the surveillance audits.
- The Certificate remains valid until the manufacturing conditions, the quality systems or relevant legislation are changed but until the 20th Jul 2017.
- After having the relevant EU legislation requirements, the manufacturer shall affix to each product of the above referenced models, CE Marking according to the following example.

Certificate No. : CE-2246
 Date of registration : 27th Jul 2014
 Date of this certificate : 27th Jul 2014
 Date of Expiry : 20th Jul 2017

Authorized Signatory
 Regal Quality Registrars Inc.

Statement:
 This certificate of conformity based on the evaluation of a sample of the above mentioned products, it does not imply an assessment of the mass production of the product. The manufacturer body should be allowed (revision of technical file) for any modification or alterations made to the aforementioned product types). The manufacturer is responsible for the product and ensuring that all manufactured products are in compliance with the specifications defined in the technical construction file.
 Further clarifications regarding the scope of this certificate and the applicability of the management system requirements may be obtained by contacting the organization. Check www.regalregistrars.co.uk for current status of the certificate. Whilst all due care and skill was exercised in carrying out this assessment, RQRI accepts responsibility only for errors gross negligence. This certificate remains property of RQRI to whom it must be returned upon request.
 This Certificate is valid as long as the organization meets RQRI's requirements. The status of the certificate may be checked at www.regalregistrars.co.uk
